Mission statement

Friends of Baseball are a non-profit organization dedicated to contribute the opportunity for participation in the game of Baseball...within the City of Greeley & Surrounding Area. Funds are raised from the annual Breakfast of Champions event. Those funds are to update and enhance existing baseball programs from youth all the way to college. We distribute funds to make capital improvements, provide on-going operational support, and to help build additional baseball facilities if warranted.

Friends of Baseball was founded 22 years ago by a small group of men that loved the game of baseball and now is over 25 members strong along with over 15 sponsors in the surround area. If you would like to become a member, go to www.friendsofbaseball.info.
